

EU10i

The EU10i uses Honda's advanced four-stroke GXH50 engine for a maximum power output of 1,000 watts AC, and rated output of 900 watts, making it ideal for a wide variety of domestic and leisure applications.

INTRODUCTION

A PINT-SIZED POWERHOUSE

The EU10i is the first generator of its size to feature a microcomputer-controlled sinewave inverter that guarantees commercial-quality electricity – making it ideal for use with frequency-sensitive electrical equipment such as computers.

It also uses a high-speed multi-point alternator that is integrated into the engine itself.

This technology reduces the overall weight and size by 25% to 50% compared to similarly classed conventional models. You can take it anywhere!

FEATURES UPON FEATURES

This generator is Parallel Connection capable, which allows two EU10i's to be quickly and easily linked using a special parallel connection cable to double your output to 2Kva.

The EU10i features an Eco-throttle which adjusts the engine speed to meet the load demand. This increases fuel economy whilst also reducing noise as the engine is not required to run at full capacity unnecessarily.

The EU10i's fantastic portability, quietness and high quality power makes it ideal for a wide range of home, recreational and professional uses.

HONDA-QUALITY TECHNOLOGY

Featuring 8 Amp/12 Volt DC, maximum 1000W/240 Volt AC power levels, the EU10i can run appliances and charge batteries simultaneously.

It starts first time every time with Honda's reliable one pull easy start system, and at 13kg, is one of the most lightweight generators in its class.

It's whisper-quiet - 52dB(A)*/58dB(A) - and delivers better than commercial quality electricity.

WARRANTY

The EU10i features Honda's famous 'easy start' system and is backed by great warranties for peace of mind.

It comes standard with a 4-Year Domestic Warranty and 12-Month Commercial Warranty, to give you peace of mind if you're far from home.

And with Honda's network of over 450+ authorised dealers around Australia, should you run into trouble, you'll never be far from help.

GENERATORS

Whether portable power is required for farming, industrial work, mining, camping, emergency services or domestic use, look no further than Honda's extensive range of quality portable generators.

Designed and built with user convenience and environmental impact in mind, Honda generators feature advanced four-stroke engines for strong performance and fewer emissions.

Honda's four-stroke engines eliminate the need to mix fuel and oil, which saves time and money.

They also provide superior fuel efficiency and emit significantly less carbon and noise than most of their two-stroke counterparts.

PEACE OF MIND

Runs on unleaded fuel so you'll never have to mix oil and petrol again

Environmentally friendly with low emissions, less noise and low fuel consumption

Engine is protected via low oil alert system

Up to 8* hours of continuous operation on a full fuel tank

CONDITION

* With Eco-throttle switched on at 1/4 output

SPECS

ENGINE

ENGINE	GXH50T
DISPLACEMENT	50 (cc)
IGNITION SYSTEM	Transistor
OIL ALERT	Yes
STARTING SYSTEM	Recoil
STOPPING SYSTEM	Ignition primary circuit ground
RECOMMENDED FUEL	Unleaded
FUEL (APPROX)	0.58 (litres/hr)
FUEL TANK CAPACITY (LITRES)	2.1
CONTINUOUS OPERATING HOURS	8hr*/4hr
OPERATING NOISE LEVEL (AT 7M)	52dB(A)*/58dB(A)

DIMENSIONS

DIMENSIONS (LXWXH)	451 x 242 x 379 (mm)
DRY WEIGHT (KG)	13kg

FEATURES

MAXIMUM AC OUTPUT	1000VA
RATED AC OUTPUT	900VA
DC OUTPUT (GENERATOR/CHARGER)	8A
BATTERY CHARGING	Yes
FREQUENCY METER	No
VOLT METER	No
GENERATOR TYPE	Multipole revolving magnetic field type (inverter)
RATED VOLTAGE	240 (V)
RATED FREQUENCY	50 (Hz)
FUEL GAUGE	No
AC CIRCUIT BREAKER	Yes
DC CIRCUIT BREAKER	Yes
AUTO THROTTLE	Eco-throttle
AUTO CHOKE	No
LARGE CAPACITY AIR CLEANER	Yes
LARGE CAPACITY FUEL TANK	Yes
LARGE CAPACITY MUFFLER	Yes
PILOT LAMP	Yes
AIR CLEANER	Semi dry type

PARALLEL OPERATIONS CONNECTION PORTS	Yes
PARALLEL OPERATIONS CONNECTION CABLE	Optional
4 WHEEL DOLLY KIT	No
CONDITION	* With Eco-throttle switched on at 1/4 output
RRP	\$1,499.00
